Annual MTC dues are \$15.00 for First Class delivery of *Dots and Dashes*, or via email \$9.00. Overseas (air mail) delivery, \$24.00. Canadian members' dues are set by the individual chapters. Please make your check payable to the Morse Telegraph Club. If you are joining through a local chapter of MTC, send this application and your check to the local chapter secretary – treasurer; if you wish to be a member-at-large (formerly the Grand Chapter), send this form and your check to the address above.

Your fellow MTC members are interested in your telegraphic background, to the extent you would care to share it. Please describe briefly where and when you learned telegraphy, by whom you were or are employed, and / or any other information relating to your interest in telegraphy. If you are a licensed amateur radio operator, please list your call. Thanks!

The Morse Telegraph Club was founded at Los Angeles, CA in 1942 to perpetuate the knowledge and traditions of telegraphy, to foster and maintain friendship among telegraphers and to honor S.F.B. Morse for his invaluable contributions to society. All landline and radio telegraphers, professional or amateur, are invited to join. MTC also welcomes those who share an interest in keeping the art of telegraphy alive.
